

Warranties

It’s an unfortunate reality that car troubles never seem to happen when they’re convenient for you. Not only that, but they’re often accompanied by expensive call out fees or towing charges in the event of a breakdown.

As vehicles get older, they also become less reliable, and it is around this time that original factory warranties fall away. Now you can protect yourself from budget busting repair bills with an affordable McCarthy warranty that offers financial peace of mind, as well as 24 hour Roadside and Medical Assistance. McCarthy has a range of warranty products designed to cover vehicles of various ages and mileage, and which offer cover throughout South Africa.

Consult the table for more information on the warranty applicable to your vehicle and ask your salesperson or business manager for a copy of the policy wording which explains the full details of cover. Alternatively you can also call 0861 66 88 88 for additional information.
